

Show-MeCannabis

Who are we?

.....

Show-Me Cannabis is an association of organizations and individuals who believe that cannabis prohibition is a failed policy, and that legalizing and regulating cannabis in a manner similar to alcohol would better control the production, distribution, and consumption of cannabis than the criminal market does.

Show-Me Cannabis seeks to engage Missourians in a serious, public discussion about the issues associated with marijuana consumption, including medical marijuana, industrial hemp, public safety, and economic analysis in order to address problems with the current, failed policy.

Regulating cannabis like alcohol will:

- ✿ Provide oversight and transparency by legalizing and regulating the underground cannabis market
- ✿ Give Missouri farmers access to the \$452 million and growing hemp market
- ✿ Provide safe legal access for medical marijuana patients
- ✿ Increase state and local government revenues by an estimated \$217 million annually
- ✿ Save tens of thousands of Missourians from an arrest and a criminal record every year
